Christ - mas star wher - ev - er you are let your light shine down on me Christ - mas star

wher - ev - er you are let your light shine a - way the night For I've _____ walked the dark emp - ty

streets be - fore with no one to call my own on - ly quiet and still were the

streets at night no light _____ did I night and when there's noth - ing left but

hope a - lone I know you're close to me so let your light let your

light _____ shine on me Now the air is still and touch - ing the sky and

"Ah" _____

then I know why your light, your bril - liant light shines a - way the

"Ah" _____

"Ah" _____

night "Ah" "Mmm"

Close to me Christ - mas star for - ev - er more you are Christ - mas

star, Oh Christ - mas star, Oh Christ - mas star shine on me.
